2. OWNERSHIP OF LICENSEE'S TELECOMMUNICATIONS EQUIPMENT

Except as otherwise provided in this Agreement, Licensee's Wire and Telecommunications Equipment installed or owned by Licensee shall remain personal property of the Licensee although it may be affixed or attached to the Building during the Term of this Agreement. Licensee's Telecommunications Equipment shall also remain Licensee's personal property upon the termination or non-renewal of the Agreement and Licensee is entitled to uninstall, remove, recover and / or salvage any Licensee's Telecommunications Equipment within a reasonable time following such termination or non-renewal of the Agreement. - (b) by giving notice in writing to the other party if the other party commits a material breach with respect to a material provision of this Agreement and does not remedy that breach within thirty (30) days after receiving written notice of the breach; or
- (c) by giving written notice to the other party if the other party: (i) becomes insolvent or bankrupt; (ii) ceases doing business in the ordinary course; (iii) appoints, or has appointed for it, a receiver or trustee in bankruptcy; (iv) makes an assignment or takes any other action for the benefit of its creditors; (v) has instituted against it any proceeding in bankruptcy, receivership or liquidation, and such proceedings continue for thirty (30) calendar days without being dismissed; or (vi) is wound up or dissolved.

If the action of a governmental authority requires modification of: (i) the Services or (ii) the terms on which they are provided, which are inconsistent with the terms of this Agreement or which impair Licensee's ability to provide the Services in an economical or technically practical fashion, then (a) this Agreement will be deemed amended in a manner to allow the Licensee to fulfil its legally mandated obligations, or (b) the Licensee may, at its option, terminate this Agreement upon thirty (30) days' written notice to the Licensor or such other period reasonably agreed upon by the parties.

4. UTILITIES

Prior to commencement of the installation and construction work, the Licensor will permit the Licensee to complete an initial inspection of the Building to ensure that the Licensee's technical requirements are met, and if such requirements are not met, the Licensor authorizes the Licensee to modify the Telecommunications Rooms and Telecommunications Spaces on the Licensor's behalf at Licensee's sole cost and discretion to

8. REPRESENTATIONS WARRANTIES AND COVENANTS OF THE PARTIES

8.1 General Representations and Warranties. For greater certainty, this Agreement is conditional upon the condominium corporation providing notice to the unit owners under section 22(3) of the Act and upon one of the conditions in section 97(3)(b) of the Act being met. The condominium corporation shall forthwith following the execution of this Agreement deliver the notice to the unit owners required pursuant to section 97(3) of the Act in the form prescribed by that section and shall confirm to Licensee that such delivery has been made.

8.3 Licensee's Covenant. Licensee will repair any damage to the Building, Telecommunications Spaces and any other property owned by the Licensor or by any lessee or other licensee of the Licensor or by any other occupant of the Building where such damage is caused by the negligent acts or wilful misconduct of Licensee or any of its agents, representatives, employees, contractors, subcontractors, or invitees. If the Licensee fails to repair or refinish the damage, the Licensor may repair or refinish such damage and the Licensee shall reimburse the

Licensors all costs and expenses reasonably incurred in such repair or refinishing.

8.4 Licensors' Covenants. The Licensors covenants as follows:

- (a) To operate, repair and maintain the Building and Building systems in a safe and proper operating condition and in accordance with accepted building industry standards;
- (b) To use the same standard of care to protect the Licensee's Wires and Licensee's Telecommunications Equipment that the Licensors would use with its own property;

- (d) That any consent or approval of the Licensors pursuant to the terms of this License shall not be unreasonably withheld, conditioned or delayed;

- (f) The Licensors shall immediately notify the Licensee in the event of any sale, conveyance, assignment or transfer (collectively, a "**Transfer**") of all or part of a Building (the "**Subject Building**"). Upon any Transfer, the Licensors shall cause the transferee to execute and deliver to the Licensee an agreement whereby the transferee agrees to assume and be bound by all the rights and obligations of the Licensors as set out herein as they apply to the Subject Building as if the transferee was an original signatory hereof (the "**Assumption**"). Upon the date any such sale or Assumption becomes effective, the Licensors shall be released from its obligations under this Agreement in respect of the Subject Building (save and except for any outstanding obligations arising hereunder prior to such Assumption).

8.5 General Limitations. Nothing in this Agreement will require the Licensee to: (a) perform any services not provided for in this Agreement; or (b) make any change or addition that will require any capital expenditures by the Licensee without the prior agreement of the Licensee.

9. INDEMNIFICATION

9.1 Indemnification. Each party (as an "**Indemnifying Party**") shall indemnify, defend, and hold harmless the other party and its officers, directors, employees, agents and shareholders (collectively, an "**Indemnified Party**") from and against any and all Losses incurred or sustained by the Indemnified Party based upon or relating to:

(b) any bodily injury, death of any person, or damage to real or tangible personal property caused by the negligence or willful misconduct of the Indemnifying Party or its agents, contractors or lawful representatives; or

(c) Indemnifying Party's unlawful or negligent use of the Building or the Licensee's Telecommunications Equipment or its agents, contractors or lawful representatives,

Provided that: (i) the Indemnified Party promptly notifies the Indemnifying Party of the claim in writing; and (ii) the Indemnifying Party has sole control over defence or settlement of the Losses, but the Indemnified Party will provide the Indemnifying Party with reasonable assistance in doing so. "Losses" are an amount awarded to a third party in, or to be paid to a third party in settlement of, any judicial, administrative, or arbitration claim, investigation, or proceeding.

10. LIMITATIONS OF LIABILITY

10.1 Consequential or indirect damages. In no event shall Licensee be liable to Licensor or any third party for any indirect, incidental, special, consequential, or punitive damages whatsoever arising out of or in connection with this agreement (including without limitation lost profits, anticipated or lost revenue, business interruption, loss of data, loss of business opportunity, loss of goodwill, loss of use of any information system, failure to realize expected savings or any other commercial or economic loss), whether arising in negligence, tort, statute, equity, contract, common law, or any other cause of action or legal theory regardless of whether such damages were foreseeable and even if Licensee has been advised of the possibility of those damages.

11. CONFIDENTIAL INFORMATION

The Parties agree to keep all information of a confidential nature obtained in the negotiation or performance of this Agreement ("**Confidential Information**") confidential. Confidential Information excludes any data, documentation or other information which: (i) is in the public domain at the time of disclosure; (ii) becomes publicly available through no fault of the receiving Party; (iii) is known to the receiving Party prior to receipt thereof from the disclosing Party, free of any confidentiality obligation; or (iv) is available to the receiving Party on a non-confidential basis from a source other than the disclosing Party, if that source or its source is not in breach of any obligations of confidentiality to the disclosing Party. Confidential Information shall remain the property of the disclosing Party. The receiving Party shall protect the confidentiality of all Confidential Information, using at least the same standard of care as it uses to protect its own Confidential Information, but in any event, a reasonable standard of care. Neither party shall at any time, without the prior written consent of the other party, disclose or use (except as expressly permitted by, or required to achieve the purposes of, this Agreement) the Confidential Information of the other party. in a manner no less stringent than required by this Agreement. The receiving Party shall remain responsible for any breaches of this Section 11 by any of such employees, contractors, directors, officers, representatives, or advisors. The obligation to keep Confidential Information confidential shall survive termination or expiration of this Agreement, however caused, for a period of five (5) years. A party may disclose Confidential Information if required by a governmental agency, by operations of law, or if necessary in any proceeding to establish rights or obligations under this Agreement, provided that the party required to make the disclosure: gives the other party as much reasonable prior written notice as allowed to permit that other party an opportunity to contest such disclosure; and makes only the minimum disclosure reasonably required, in the opinion of the counsel of the party required to make the disclosure. Both Parties contemplate that any breach by a receiving Party of this Section 11 may result in irreparable harm to the disclosing Party which will entitle the disclosing Party to seek and obtain injunctive relief, in addition to any damages and other remedies available at law and in equity. As soon as practicable, the receiving Party shall notify disclosing Party of any breach of this Section 11 of the Agreement. Notwithstanding any other provision of this Agreement, Licensor acknowledges that Licensee is required to disclose this Agreement pursuant to its regulatory obligation and such disclosure shall not be a breach of this Agreement.

12. APPLICATION TO ALL BUILDINGS

Where applicable, the terms and conditions of this Agreement shall be interpreted by the parties and by any third-party adjudicator as if such terms and conditions apply to each Building separately from the other Buildings. For greater certainty, in the event that this Agreement is terminated with respect to any one Building (whether pursuant to the terms of this Agreement or otherwise), the terms and conditions of this Agreement shall remain in full force and effect, unamended in respect of the remaining Building(s) for the Term.
